

CALL FOR JCE AND BGCSE EXAMINERS 2020

The Botswana Examinations Council is pleased to inform the public that following the advice of the Presidential Covid-19 Task Force, a decision was taken to decentralise the 2020 marking such that, unlike in the previous years where marking was centralised at Gaborone, the exercise should take place in different COVID-19 zones across the country.

The 2020 Examiners are not allowed to mark outside their COVID-19 zones. Therefore, all examiners are only appointed to mark in their respective COVID-19 zones as inter-zonal movement is not permitted during this time.

The 2020 marking venues have been allocated as per the following Covid-19 zones:

Junior Certificate Examinations (JCE)

- i. Greater Gaborone
- ii. Greater Francistown
- iii. Maun zone

Botswana General Certificate of Secondary Education (BGCSE)

- i. Greater Gaborone
- ii. Greater Palapye

On the basis of the above, the 2020 Examinations potential examiners are encouraged to apply for marking vacancies within their COVID-19 zones.

Closing date is 24th November, 2020.

For further clarification, stakeholders and potential examiners are encouraged to contact the BEC Human Resources Department at the following numbers
