

PUBLIC NOTICE

The Botswana Examinations Council wishes to inform the public that the **2015 BGCSE Certificates** are out on despatch. All school candidates (Government and Private) are therefore requested to contact their Schools/Centres to collect the certificates as soon as possible. The certificates will be kept in the schools for a period of 24 months, before they are returned to Botswana Examinations Council. Please be informed that the release of the certificates invalidates the Statement of Result, which was issued provisionally after the release of results. This therefore means the Statement of Result can no longer be used.

The Certificates are to be thoroughly checked for mistakes, including spelling mistakes of names, the subject's entered for and any other omissions. Any errors identified should be reported to BEC through the Schools/Centres for school candidates and in person for Private Candidates. The deadline for the corrections of the 2015 BGCSE Certificates is the **30th November 2017**.

The public is informed that Botswana Examinations Council will be visiting the Registration Venues to issue the **2015 BGCSE and JCE Certificates** to all Private Candidates on the following dates:
